

Organizing a party or a group night out?

We'd be delighted to welcome you and your companions to Zouk.

To ensure your visit is as enjoyable as possible we have a few guidelines that enable us to accommodate large bookings.

Your Table

Reservations for all group bookings are made for two hours as we believe this is the optimum time for you to have your meal at an enjoyable pace.

If you would like to book your table for longer, this is no problem but we need to know in advance and there may be a charge for this depending on the time and date of your booking. To avoid disappointment please mention this when making your initial enquiry as we may not be able to extend your time closer to the date of your booking.

Your Menu

For group bookings of 15 people or more we have a range of delicious set menus to choose from.

Our set menus are served banquet style which means you can try every dish on your chosen menu.

Our menus have been designed to offer a range of tasty dishes for you and your guests, but if there is something you would especially like to see that is not included, do please let us know as we can tailor one of our standard menus to include your favourite dish.

Vegetarians are served individually as we usually find there are only one or two in a group.

We always try to accommodate special dietary requirements but we do need to know about these prior to confirming your booking so please let us know of any particular needs as early as possible in order for us to email you a special menu that details the dietary requirements we can cater for.

Confirming your booking

For all group bookings a deposit of £5 per person is required. This must be paid in full 7 days before the date of your party to secure your reservation.

If your deposit is not paid by the due date and we are not able to contact you, your table will automatically be released to other customers.
