

CANAPÉS

Canapés

Our Canapé menu is ideal for a pre lunch or pre dinner drinks reception or makes the perfect start to a wedding banquet. Alternatively some customers choose a mixture of canapés and tapas for drinks parties as an informal dining alternative.

We Recommend:

For wedding banquets or a pre-lunch/pre-dinner drinks reception you should allocate 4 to 6 pieces per guest.

For a drinks party, cocktail reception or networking event you should allocate 8 to 10 pieces per guest.
